Prayer For A Nurse

Oh, my God: I am about to begin the day's work.

Teach me to receive the sick in Thy name.

Give to my efforts success, sweet Jesus, for the glory of Thy Holy Name.

It is Thy work: Without Thee I cannot succeed.

Grant that the sick Thou hast placed in my care may be abundantly blessed and not one of them be lost because of anything that is lacking in me.

Help Thou me to overcome every temporal weakness and strengthen in me whatever may enable me to bring the sunshine of joy to the lives that are gathered around me day by day.

Make me beautiful within for the sake of Thy sick ones and those lives which will be influenced by them.

AMEN

(Author unknown)

We, the annual staff, dedicate this 1960 White Cap to the person who has been more than an instructor and guide to our school. She has given us the true meaning of Nursing, her friendship, and her faith. With pride we salute you, MISS META RABE.

The residence was named for a late honorary member of the OMH Board of Governors who, as a member of the nursing school's advisory committee, was one of the original proponents of a new student's home.

We, the students, would like to thank the OMH Auxiliary, The Orange County Medical Society, the alumni association, the Orange County Medical Auxiliary and all the others who made this dream a reality.
